In Accordance to the S.M.U.A. Constitution, Article III, and Section 3: To qualify for regular membership, a candidate shall pass a written exam, and a field test. Said candidate shall serve a probationary period of two (2) years. During which time the candidate shall **NOT** umpire at the high school varsity, or junior legion levels. However the candidate is required to umpire a minimum of ten (10) in their first year of service, and ten (10) in their second, that are assigned by the S.M.U.A. Assigning Coordinator. Failure to meet these requirements will result in a suspension, and all high school commissioners, the M.B.U.A., and the M.I.A.A. will be notified. To requalify for membership you will have to retake the exams, and pay the clinic fee. Remember only game that are contracted by the S.M.U.A., and assigned by the Assigning Coordinator will count towards your probation. Any high school or non-S.M.U.A. contracted games do not count.

I herby authorize the S.M.U.A. to release my personal information that I have supplied on this form to the Massachusetts Interscholastic Athletic Association for the purpose of registering myself so I will be allowed to umpire M.I.A.A. sanction school baseball games.

The S.M.U.A. conducts background checks through the Massachusetts Sex Offenders Registry Board. Any person that is listed as either a Level 2, or Level 3 sex offender, will not be allowed to work youth baseball games assigned by the S.M.U.A. If you refuse to have a background check done, you will not be allowed to work games for the S.M.U.A.
